

# MINDENHURST

Construction update

September 2023

CREATED WITH CARE BY  
**SKANSKA**

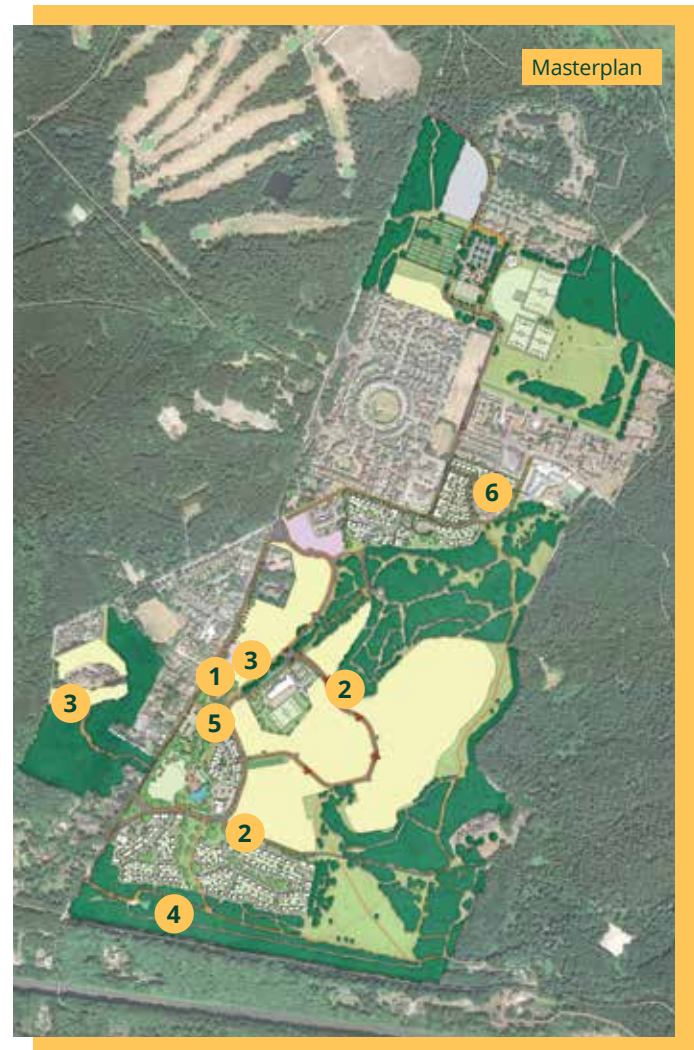

Welcome to our monthly newsletter, which we use to keep you up to date with the latest progress from Mindenhurst and provides you with a direct, on-site point of contact for any concerns or queries you may have.

Find out more on our dedicated Facebook page: [Facebook.com/MindenhurstDeepcut](https://www.facebook.com/MindenhurstDeepcut)

## Construction update

- 1** Improvement works on Deepcut Bridge Road will start from 4 September. The first couple of weeks will be spent setting out the site, fencing off our working area, erecting signage, and closing the road to southbound traffic. The Church car park will be closed to the public from this date to provide space for construction materials, vehicles, and welfare facilities. Update continued below.
- 2** The team is continuing to make good progress on the Loop Road, now focusing on installing signage and street lighting. Construction of Brunswick Road is also progressing, where we are beginning to build drainage and the first layers of the new road.
- 3** We will begin preparations for the upcoming archaeological investigations by clearing the sites. Further details about this work is available on our website and in the leaflet sent to all residents.
- 4** There will be ongoing landscaping work to the Southern SANGs, where we are installing footpaths, street furniture and seeding the area.
- 5** We are continuing renovations to St. Barbara's Church, carrying out external decoration works and installing the church spire cladding.
- 6** Ongoing work to the DIO Roads which includes installing new storm drainage, roads and footpaths.

## Deepcut Bridge Road Environmental Improvement Works continued...

Once complete these works will bring significant benefits, creating a thriving village centre which links the new and existing communities. In addition to greater access and improving the appearance, this area will be safer and easier to use for road users, cyclists, and pedestrians.

For the latest updates on progress, please visit our dedicated webpage at [mindenhurst.co.uk/news/dbr-works](https://mindenhurst.co.uk/news/dbr-works)

## One-Way Traffic on Mindenhurst Road

Surrey County Council has announced that Mindenhurst Road will become a one-way road for traffic driving from the school to Forest Drive from Monday 4 September until next summer.

More information is available on their website.

## New Bus Route

From 4 September 2023 a new bus service (number 12) will be introduced between Mindenhurst and Camberley. It will be operated by Stagecoach, and will run Mondays to Saturdays from Mindenhurst, through to Deepcut, Heatherside and Camberley.

Due to the upcoming work on Deepcut Bridge Road, the services will run north on Deepcut Bridge Road and south on Mindenhurst Road. Once Mindenhurst Road returns to two-way operation, the northbound service will move to Mindenhurst Road.

The full timetable is available on the travel page of our Mindenhurst website, or view it on the Surrey County Council's Roads and Transport site.

## Archaeological works

The Mindenhurst team will shortly be commencing archaeological works onsite. Supported by a specialist team, we will be looking for items of local, historical significance.

We are excited to learn more about the history of Mindenhurst and will keep you updated on our progress.

Please see our website for additional information.

## New School

We are thrilled that Lakeside School will be welcoming students to its brand new school here in Mindenhurst. We wish all the new pupils' good luck on their first day!

For information on parking and traffic, please visit Surrey County Council's website.

## Mindenhurst Wild Week 2023 Roundup

Last month we hosted our annual Mindenhurst Wild Week. Consisting of a week full of nature themed activities celebrating the natural world around us, there was something for everyone to enjoy!

We had a jam-packed week which included a spooky bat walk led by Surrey Wildlife Trust, in addition to discovering some amazing new bug hunters, creating wildflower seed bombs and DIY bird feeders.

We enjoyed seeing you for Wild Week 2023, check out our website or socials to read more.

## Community drop-in

This month's community drop-in will be taking place on **Wednesday 27 September**, between **4:30pm and 6:30pm** at our Project Office on Newfoundland Road.

## Sign up to e-newsletter

In addition to this regular construction newsletter, we also distribute an e-newsletter to subscribers that provides updates on any changes to the construction programme, including unexpected road closures.

Signing up to this e-newsletter means you will receive the latest news quicker, and a digital copy of our regular construction newsletters. Please visit our website [mindenhurst.co.uk/get-in-touch](https://mindenhurst.co.uk/get-in-touch) to subscribe today!
